Dear Joanna:

The trustees of Grace Church would like to thank Perfect Roofing for the work your men did replacing our roof shingles, soffits and the installation of a gutter on our church building. Your workers were very professional and did excellent work as well as clean up. They arrived as scheduled on time and completed the work promptly.

Your coordination and communication with me was always very thoughtful and courteous. In addition, you provided us with color samples and double-checked to make certain everything was done to our satisfaction.

It has been a pleasure doing business with your company. Please feel free to use us as a reference.

Sincerely,

Joe Lewandowski
Trustee
