Perfect Roofing
Chicago, IL

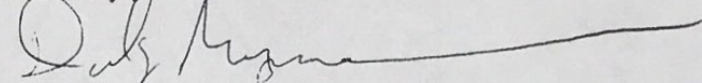

Dear Joanna:

Thank you very much for the professional job that you and your organization performed on our roof and gutters over the last two days. Your team was always courteous and pleasant and the clean up was excellent. We felt that of all the roofing organizations which we reviewed prior to having you complete our job, you were by far the most professional and the end result was exceptional.

We thank you for your patience and understanding as we questioned various aspects of the job. We would feel completely confident in recommending you to our neighbors and have already done so in one case.

We wish you a great summer.

Sincerely yours,

David A. Morgese
